Education

Sam Higginbottom University of Agriculture, Technology and Sciences, India Branch CGPA: 9.73	2025-2028 (expected)
Jagat Taran Golden Jubilee School , India Class XII (PCM): Percentage: 78%	2024
Jagat Taran Golden Jubilee School , India Class X : Percentage: 92.6%	2022

Skills

Python | Java | Machine Learning | Numpy | Pandas | Matplotlib| Scikit-learn | Joblib | MySQL | Git | Flask

Projects

Email-Copilot

- Designed and developed a web application that generates professional email drafts from user input.
- Implemented AI API integration to generate context-aware email content with different writing styles.
- Focused on clean UI, prompt optimization, and user-friendly experience for faster email creation.

Crop-Yield-Prediction

- Developed a machine learning model to predict crop yield using agricultural features such as rainfall, temperature, soil type, and fertilizer usage.
- Performed data preprocessing, feature engineering, and model training using Python, Pandas, Scikit-learn, and NumPy to improve prediction accuracy.
- Built a user-friendly interface for farmers or users to input crop data and receive predicted yield estimates for better decision-making.

Academic and Extracurricular Achievements

- Awarded Gold Medal** for maintaining **100% attendance**.
- Participated in the March Past** during institutional events, demonstrating discipline and teamwork.
- Secured 3rd prize in English Writing Competition**, showcasing strong written communication skills.
- Qualified for the Second Round of the **National Spelling Bee Competition**.

Positions of Responsibility

Art Club (Jagat Taran Golden Jubilee) | Member **Jun'20 - Present**

Assisted in managing and supervising visitors during school art exhibitions, ensuring smooth event operations.

Designed and prepared craft materials and decorative displays for school exhibitions and cultural events.
